

I want to convey my opposition to H.B. No.6355.

We have a right to due process.

Defendants unaware of a proceeding against them often are unable to appear at a hearing or cross examine witnesses or complainants in these matters and have no opportunity to obtain counsel.

Our Constitution guarantees that no one shall be deprived of life, liberty or property without due process of law. Seizing property of individuals who have not been convicted of any crime violates this Mandate. These risk protection orders are also ripe for abuse.

Thank you
